

**ARKANSAS CORN AND GRAIN SORGHUM PROMOTION BOARD PROPOSAL**  
**REPORT**

**Title:** Arkansas Corn and Grain Sorghum Production Handbook

**Investigators:** Leo Espinoza, Jason Kelley, and Jeremy Ross

**Cooperators:** Research Scientist and Extension Specialist; Feed Grains Committee

**Crop:** Corn and Grain Sorghum

The Corn Production Handbook was updated during 2003. Two thousand copies were made available to Arkansas farmers at the beginning of the 2003 season. Nearly 1,600 copies have been distributed so far. The Grain Sorghum Handbook has been updated and 3,000 copies were made available to Arkansas at the beginning of February 2004. Nearly 1,4000 have been distributed. A web version of the Corn Production Handbook can be found at the following address:

<http://www.aragriculture.org/cropsoilwtr/default.asp>

The Grain Sorghum Handbook will soon be available in a web format as well.
